Jim. I just spoke to the clerk. Monday's court schedule got a little messed up because there's only one judge in superior court. Consequently, our case is starting earlier in the day to accommodate the courts business. Thus, I am asking that you appear @ 11. I apologize.

James,

I received this email from the ADA in Greenfield District Court regarding your case on Monday. Looks like you're free to join us. I appreciate it. Do you need a subpoena? Do you have prepared questions you'd like me to ask? What else do you need? I will accommodate you as best as I can.

Thanks,

Aaron

Hey Mike/Aaron,

should be ok for you to take him, i.e., go ahead and take him and we will deal here. Its no where near the oldest case so if we need a continuance we should be fine. His issue here isn't what the drugs are anyways.

Thanks  
Jeff

Jeff,

One of my colleagues down here needs chemist James Hanchette for a superior court trial here. Hanchette is saying that he needs to be in Greenfield District Court on Monday for Commonwealth v. [REDACTED] with you. Is your case really going to be a trial?

Thanks, Mike
